

# THE CREDIT UNION CONNECTION

FALL 2025

*We are people helping people build their future and realize their dreams*

## INTERNATIONAL CREDIT UNION DAY

Each October, credit unions around the world come together to celebrate International Credit Union Day. A day dedicated to the spirit of community, cooperation, and the unique difference of credit unions. For Boulder Dam Credit Union, it's more than just a date on the calendar. It's a reminder of why we exist: to serve our members.

Since our founding in 1940, BDCU has stood on the principle of "people helping people." Unlike banks, we aren't driven by shareholders or profits. Instead, we are guided by our members, focusing on financial well-being, trust, and a commitment to always do what's best for our community. International Credit Union Day highlights the values that have been at the core of our work since 1940: collaboration, service, and the belief that together, we can achieve more.

It's also a chance for us to reflect on the relationships we've built over the decades. Every loan, every savings account, every financial decision we support isn't just a transaction; it's part of the story of our town. We're proud to celebrate the fact that our members are our owners, our neighbors, and our partners in building a stronger future.

To honor International Credit Union Day, Boulder Dam Credit Union will be celebrating our members with a week of special events, October 14–17. It's our way of saying thank you for your trust, loyalty, and the shared values that make our community so special.

## CALL FOR VOLUNTEERS

Boulder Dam Credit Union is governed by a devoted group of volunteers. The Board of Directors and Audit Committee are comprised of members of the Credit Union devoting their time to overseeing the management of this institution without any compensation for their work.

During this time of year, we ask any qualified members to let us know if they are interested in volunteering their time and energy when opportunities become available. Interest in serving should include a letter of interest and a current resume. As positions become available, we will evaluate interested candidates based on Credit Union experience, use of Credit Union services, community involvement, as well as other relevant factors.

Should you have an interest in being considered for a volunteer position at Boulder Dam Credit Union, please submit the above information to [volunteercandidate@boulderdamcu.org](mailto:volunteercandidate@boulderdamcu.org). Applications must be submitted by November 30th, 2025.

Boulder Dam Credit Union is proud to partner with Petrizzo Financial to bring valuable financial education opportunities to our members. These classes are designed to help you build confidence in managing your money, plan for the future, and make informed financial decisions at every stage of life.

## RETIREMENT READINESS

Date: October 25th, 9-11am

Preparing for retirement goes beyond simply saving—it's about ensuring you have the financial confidence to enjoy the next stage of life. We'll explore strategies for maximizing retirement contributions, managing and reducing debt, evaluating income sources like Social Security and pensions, and considering lifestyle adjustments. Whether retirement is just around the corner or still years away, this class will give you the tools and knowledge to approach the future with peace of mind.

## LEAVING A LEGACY: FINANCIAL PLANNING FOR THE FUTURE

Date: October 25th, 12 pm - 2 pm

Planning for the future is about more than managing money—it's about ensuring your loved ones are cared for and your wishes are honored. Topics include how to properly prepare your accounts, understanding the differences between trusts and estates, designating and updating beneficiaries, and other strategies to make the transfer of assets smoother for those you leave behind. Whether you're just beginning to think about legacy planning or ready to refine your existing plan, this workshop will provide practical guidance to help you build peace of mind for yourself and security for the people you love.

Both classes will be held at Boulder Dam Credit Union, 530 Ave G.
